

Classics™ from Hart & Cooley is a decorator collection of high quality registers, grilles and diffusers in classic designs and finishes. You will find Classics to be a unique, stylish alternative to everyday registers...design and finish options that allow you to easily personalize each room in your home.

I N S I D E

<i>Victorian Designs</i>	<i>.2-3</i>
<i>Hardwood Designs</i>	<i>.4-5</i>
<i>Contemporary Designs</i>	<i>.6-7</i>
<i>Sidewall & Baseboard Diffusers</i>	<i>.8-9</i>

Like wallcovering, window treatments, and flooring, your choice of registers and grilles can turn an ordinary room into an extraordinary room. High quality design and craftsmanship make Classics registers and grilles appropriate in virtually any style and size home, from bungalow to brownstone, ranch to oceanfront estate. Classics is equally at home with Louis XVI antiques and fine Persian rugs...popcorn and recliner in the family room.

CLASSICS™

V I C T O R I A N

We've recreated the ornate Victorian design in brass, wood, and brass inlayed into wood. These designs are available in solid brass, plated brass, and antiqued finishes. Meticulous craftsmanship is evident in the rich detailing. These premium floor diffusers are equally at home on wood, stone, tile, and carpeted flooring and lend an added measure of character to any room setting.

Measuring is easy. Classics registers, grilles and diffusers are designed to fit standard duct openings. For floor applications, measure both the width and length of the existing duct opening. An opening of 4"x10" requires a 4x10 register. When ordering sidewall/baseboard products, specify the (B) dimension first.

WEAR AND TEAR DESIGN

Unlike some grilles and registers, Classics can be installed in high traffic areas. Heavy-gauge steel control valves open and close easily for years of dependable performance.

Measuring is easy. Classics registers, grilles and diffusers are designed to fit standard duct openings. For floor applications, measure both the width and length of the existing duct opening. An opening of 4"x10" requires a 4x10 register. When ordering sidewall/baseboard products, specify the (B) dimension first.

CONTEMPORARY

Few finishes offer the warmth and stately elegance of brass and nickel.

We offer these designs in a polished bright finish—

guaranteed to lend an air of sophistication to your

home. No shortcuts taken

here. We craft our Classics

designs using the finest

brass and plated finishes

protected by a clear lacquer

for long-lasting beauty.

CLASSICS™

FOR NEW CONSTRUCTION OR HOME IMPROVEMENT

Classics are available in a wide range of sizes to accommodate most standard wall and floor duct openings. Whether you select your Classics as part of your new home construction or as a remodeling project, installation is as easy as standard registers...just much better looking.

ENGINEERED PERFORMANCE

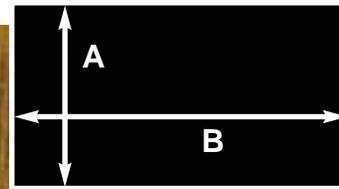

There's more than beauty—there's efficiency. Classics are brought to you by Hart & Cooley, the leading name in air distribution products. The Hart & Cooley name is your assurance that Classics are engineered by air-flow professionals for minimum air resistance, resulting in quieter performance and optimum comfort.
